

KIDS AT WORK

"The Kids at Work Camp is located at Corlears School, and we LOVE the beautiful private playground complete with trikes!"

"Our child loved his camp teachers! Since they're preschool teachers, we never worried about dropping him off there..."

"My son's summer was amazing. He was so proud of his daily art creations, and we loved the strong natural component of the program."

Love the Earth

The Kids at Work Summer Camp staff will set up a rich environment for your child loosely based on the above thematic elements. Expect tons of sensory play, gardening, cooking, age-appropriate art, and live music woven throughout the curriculum.

Sample Day

Arrival Indoor sensory play, open-ended art stations, and dramatic play.

Meeting Time We'll greet each child, complete our "weather wheel" and talk about the routine for the day, as well as the theme for the week!

Art/Cooking/Gardening Project Always age-appropriate, project-based and process oriented. No "crafting" allowed! :-)

Snack We'll provide a snack of WASA crackers, fresh fruit and cheese with allergies considered.

Playground Time We'll have exclusive use of the on-site private playground. Children can also build with huge foam blocks, ride on trikes, and engage in an informal soccer game! Children participate in sprinkler play twice per week!"

Music with our on-staff Singer/Guitarist We keep it active and engaging with familiar and new songs.

Playtime In our large, sunny classroom, children will enjoy our play kitchen, blocks, puzzles, dress-up, and simple games! Some children may want our "second snack" as well.

Goodbye and Cool Down We'll end the day with a few yoga poses, a pretend "nap" and our goodbye song!

** 3-4.10 program features a 5 hours day including 1.25 hours of outdoor time, lunch, and quiet rest time.

Philosophy, Team, and Facility

The Kids at Work Summer Camp @ Corlears is a fully licensed drop-off program. It is designed for children that are already familiar with being fully independent in the classroom. Our facility, The Corlears School, features the use of their classrooms, with an attached private WC, 1200 sq. ft. gym, and private outdoor playground. Camp Lead-teachers are hired with a minimum masters degree in an education-related field in progress or at least 5 years of age-appropriate lead teaching experience. Camp leads and at least one other teacher in each classroom are certified in CPR/First Aid as well as an epi-pen administration.

The Kids at Work Summer Camp features a curriculum designed for active and curious children, including activities such as "the human sized bubble," creating outdoor paint dino tracks using huge detachable dino feet, and weekly age-appropriate gardening. Children will complete simple food preparation projects, such as smoothies, waffles and more, with allergies taken into consideration. Last year, our camp was full in mid-April, so register today!
